Nick Rhoton National FHA/HERO President

During his five years of involvement in FHA/HERO, Nick served as State Vice President of Middle Schools and Junior Highs during his freshman year. He was Virginia's State President and led the Virginia Association during his junior year. In the summer before his senior year, Nick was elected to the office of FHA/HERO National President, which is the highest honor a member can receive. During his year leading the 262,239-member organization, Nick met President Bill Clinton, Rev. Jesse Jackson, and leaders in national education such as Secretary of Education Richard Riley and others in leadership positions in several radio and television interviews. Nick was invited to appear on the Today Show on NBC. During his years as a youth leader, Nick has spoken to over 50,000 students and adults about FHA/HERO, home economics education, and their merits to every high school student. He wishes to thank Ms. Lou Britt, Ms. Debbie Kilgore, and Jim Baker for helping give him these opportunities. Nick also thanks his parents, Otis and Connie Rhoton, and his sister, Mandy, along with a very supportive group of friends for making these five years great ones.

"Claim the Road, Touch the Sun No face on Earth could stop your sun. When your heart burst like the sun Never, Never Give Up On a Dream."

Student Life

God was standing on a mountaintop
Looking down below
When He found an angel
We all know
He watched as
She walked the valleys
Climbed the mountains and
Stepped upon the stones
Now our friend He has taken
For the long journey home
He took her to the heavens above
Where there is only beauty,
hope, peace, and love
The feelings we have for her
Should always be the same
For in our hearts her memory remains.

TRACY LYNN FINCH

"I AM NOT THERE"

Do not stand at my grave and weep; I am not there. I do not sleep. I am a thousand sands that blow, I am the diamond glints on snow, I am the sunlight on ripened grain, I am the gentle autumn's rain.

When you awaken in the morning's hush, I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry, I am not there. I did not die.

Robert Hepburn

In Memory Of Cynthia Celeste Dishner July 21, 1976-August 8, 1993

Henry Clabaugh

January 1994

To Cindy and the Yearbook Staff:

This year has indeed been a great year to work with you and the staff. It has been a pleasure to see most people cooperating with each other instead of trying to cause trouble. This shows good leadership on your part. I am sorry that you will not be here next year because I know that the staff will really be a good one, and I have you to thank for that. I wish you the very best of luck in the future. You are a very deserving young lady.

Sincerely,

Nancy K. Ward

To my staff, I would like to congratulate you on your hard work and effort to make this year-book possible. My staff and I have realized that organizing a yearbook is a time consuming job that requires teamwork. From the very start, my staff has worked diligently and they were just as excited as I was to finish, but I will miss all of the great times we shared.

To the graduating class of 1994, from the very start of our lives we have made friends and have shared many memories. Now as our Senior year is coming to an end and as we receive our diplomas, we are finishing the last memories we will ever share together. I wish the 1994 Senior Class the best of luck in future endeavors.

To the underclassmen, I wish you the best of luck through your remaining years at GCHS.

I would like to give special thanks to Mrs. Nancy Ward for all of her help and encouragement, but most of all for being a friend.

Sincerely, Cindy Cindy Compton 1994 Blue Devil Editor
